

PROMS AT REED HALL

Reed is a well-established school prom venue in Exeter. The house itself, steeped in history and surrounded by manicured lawns, offers a safe, yet elegant environment for students to unwind.

We understand that the school prom can sometimes be restricted by budget and that's why we have a range of packages to suit. Whether you choose a BBQ on the lawn, or 2 course hot meal, we will work with you to ensure that your school event is just right.
